INTRODUCTION

In the SCIENCE OF IMMUNOLOGY, the study of the immune system, we have an opportunity to not only understand how the immune system responds to pathogens but also to understand and combat various diseases. This year, we have invited a diverse group of experts to share their latest findings and insights.

SESSION INFORMATION

I. INTRODUCTION TO IMMUNOLOGY

II. IMMUNE RESPONSES TO INFECTION

III. AUTOIMMUNITY AND INFLAMMATION

IV. IMMUNE MOLECULAR BIOLOGY

V. CLINICAL IMMUNOLOGY AND IMMUNOTHERAPY

VI. IMMUNE REGULATION AND NETWORKS

VII. IMMUNE DEVELOPMENT AND IMMUNODEVELOPMENT

VIII. IMAGING IMMUNITY

SESSION DIRECTIONS

AAI provides a comprehensive and interactive program that offers the opportunity to learn from experts in the field and meet with colleagues.

REGISTRATION

AAI Annual Meeting 2022

May 6–10, 2022

Oregon Convention Center

Portland, OR
